

Fort Velasco Memorial Granite Paver Fundraising Project

12"x12" Pavers

The buyer has no preset text in the criteria. They may choose up to, but not more than, 10 lines of text. Said text must honor the men who fell on this site, June 27, 1832. Be respectful and honor this hallowed ground. All text will be approved by the board prior to engraving. If your request is denied, you will be contacted by a board member for requested changes.

**- Please adhere to the following Instructions –
Use a separate form for each paver purchased.**

When filling in characters, please start in the far-left box of each line.

Each line will hold a maximum of 29 characters.

Only one character per box!

Our artist will center each line of text during production.

You may use as few as one line or up to ten lines per 12"x12" paver.

Start on the top line and fill each line as needed for your request.

Text size will be the same on every line. Our artist will space text for best appearance.

**Orders containing illegible characters or requests outside of the following criteria,
Will Not be produced.**

Please make your Check payable to **Old Fort Velasco Historical Association** or **OFVHA**. *Please make sure your handwriting is legible and that your contact information is included below so you can be contacted if questions with your order need to be addressed.*
